### **TT111/2022 Heritage Buildings Project - update**

The Heritage Buildings sub group advised that they had met with Hayhurst to consider an expanded version of options. Hayhurst are doing a presentation at the Community Centre AGM on 22 February and will also be attending the Business Group meeting on 07 March. Vice Chair Sarah very kindly agreed to re-circulate Jon's 'options email' to all Town Team members to give an opportunity to provide feedback to Jon on the options and language of the options prior to the Community Centre AGM.

**TT112/2022 Sustainable Transport Project - update**

The sub group advised that there has been no follow up to the initial meeting. The traffic survey has gone ahead and Matt appears to be experiencing problems accessing the necessary licences to access traffic data through Cornwall Council. The clerk advised that she had received a provisional date from one of Matt's colleagues for a stakeholder engagement session. Unfortunately, the date clashed with other events so the clerk was asked to give Holly alternative dates of 14, 22 or 23 March. The clerk was also asked to chase Cornwall Council regarding the licence.

**TT113/2022 Items for the next agenda**

Report from the Business Group meeting  
Look at Good Growth fund criteria  
Investigate alternative sources of funding

The meeting closed at 8.15pm.
